

A vibrant floral pattern on a red background. The design features a variety of flowers: a large yellow sunflower with a dark brown center, clusters of small yellow flowers, purple flowers in various stages of bloom, and white roses with pinkish-red outlines. Green leaves and stems are interspersed throughout the composition. The text "MIKI MOKO en PROVENCE" is centered in a white, serif font.

MIKI MOKO's journey to Provence, France.

Inspiration of this collection was one of the most well known artist in art history book who once roamed the field of Provence and created many of his masterpiece, Vincent Van Gogh.

MIKI MOKO is a brand that appreciates art and craft. That's why her journey through Provence should be more than visible beauty of the place but rather enjoy the deeper understanding of its history, sight of Provence from artist himself who dedicate his life and work here. All of that combine with MIKI MOKO's love of flowers which is one of the brand most beloved topic.

Almond flower that bloom in Provence can be seen in both painting of Van Gogh and MIKI MOKO's Logo as a symbol of new life and rebirth.

Sunflower, Van Gogh favorite subject can be seen in all print in this collection from main element to subtle element that makes the Starry Night shines. Also, floral of Provence within Van Gogh painting were mixed into new element that's representing the love of MIKI MOKO.

And most importantly, MIKI MOKO logo that turned into Almond Flower of Provence that can be seen in Van Gogh's Painting. Then transformed into Starry Night that arrange from MIKI MOKO's Almond Flower along with the touch of Sunflower as the star. If you see it from far, Starry Night are visible. But from closer look, you can see MIKI MOKO Almond Flower version that spread throughout the canvas instead. These are also mechanic of Post-Impressionism, Art style of Vincent Van Gogh himself.

We hope you enjoy journey of MIKI MOKO en Provence.
